

International Cooperation and Communications

- Developing cordial relations and fruitful cooperation with the International Federation of Red Cross and Red Crescent Societies, International Committee of the Red Cross (ICRC), various National Red Cross and Red Crescent Societies, international organizations and United Nations specialized agencies in a range of humanitarian fields through signing of memorandum of understanding (MOU) and agreement.
- Representing international efforts by organizing international forums, seminars, meeting and workshops.
- Cooperation with international organizations to implement international projects for the benefit of the affected during post disaster situations.
- Coordination with National Red Cross and Red Crescent Societies to facilitate the participation of their nominated volunteers and staff in IRCS training workshops and courses in Iran such as orthotics and prosthesis training course.
- Facilitation for the implementation of development projects and capacity building of women, youth, volunteers, organizational development, health and Socio-Psychological Programs in the country.
- Participation of IRCS managers, volunteers and staff in international meetings, forums, seminars, conferences and workshops.
- Cooperation with the ICRC in Reunited Family Links (RFL) issue and collecting of the tracing requests from other National Societies and ICRC.
- Cooperation with the ICRC in evaluation of refugees and immigrants affairs.
